

MISSISSIPPI CHAPTER

Our Mission!

Promote world fellowship through flight;

Provide networking and scholarship opportunities for women and aviation education in the community and

Preserve the unique history of women in aviation.

If you would like a Compass Rose painted at your airport, please contact us! We'll be more than happy to come out with our paint brushes! In June 2006, the Mississippi Chapter assisted the New Orleans Chapter paint their first Compass Rose!

Our goal for this year is to paint a Compass Rose at the following airports:

- *John Bell Williams Airport, Raymond, MS
- *Madison Airport, Madison, MS
- *Picayune Municipal Airport, Picayune, MS

Hello Ladies!

It's been a few months since we have come together. I hope that you are having a wonderful new year. Please accept my sincere apologies for not keeping in contact, as I should. I've experienced a traumatic event with my Mom last summer that had my plate running over with responsibility in the last several months in addition to having serious health issues during the beginning of the year.

With that being said and out of the way, I would like to welcome our newest members to our Chapter on behalf of the entire Mississippi Chapter. We cannot wait to meet you!

Visit Our Website (www.mississippi99s.com)

Please visit our website, which has been recently updated, to stay abreast of our Chapter meetings and special events in addition to other local aviation activities. Please **mark your calendar** for the 2007 Vintage Fly In at the Tylertown Airport on **March 28th**, celebrating 100 years of operation. To prepare for the Vintage Fly In, we are going to spruce up the airport a little. Get your painting clothes out! We are **painting a Compass Rose on April 7th** at the Tylertown Airport. We will have lots of fun, food and paint! Mark your calendars!

Meeting in Pisgah, MS, November 2006. From Left to right: Mireille De Beukelaer, Susan Coccoheimer, David Mars, Carol Knight & Stacy Booker

Because our Chapter Members are located throughout various parts of Mississippi, we've come up with a 2007 Events Schedule. Instead of meeting monthly, we will meet quarterly with the exception of special events. As a Chapter, we are endeavoring to participate in commu-

nity outreach via career days, Airmarking/Compass Rose painting in addition to having our annual Fly In and Christmas party. We know our Chapter is small, but please do invite your friends who are aviation enthusiasts to our meetings! They are more than welcomed!

Mississippi Chapter Ninety-Nines
